Schlitz Beer is Good for You

The malt is a food; the hops a tonic. The alcohol—only 3½ per cent—is an aid to digestion; a healthful stimulant. Schlitz Beer is brewed with the extreme of cleanliness—cooled in filtered air—and every bottle is sterilized.

It is one of the best things in the world for you. It does not ferment on the stomach, because it is aged—aged for months in refrigerating rooms before it is marketed.

It gives you beer without biliousness. Ask your doctor what he thinks about drinking Schlitz beer. Ask for the Brewery Bottling.

ANTHONY

Will Take a Census to Ascertain if the Town Can Levy License Tax Some Punks

Mrs. Annie Stroud and children have gone to Ocala to stay with Mrs. S. S. brother, Mr. C. R. Tydings.

Mrs. M. J. Cannon and children from Brunswick, Ga., came unexpectedly Sunday. There was considerable yellow fever scare in Brunswick and she was very much alarmed about it. Her family physician advised that she leave while the way was clear.

Mr. and Mrs. J. L. Smoak of Ocala came up Sunday evening to visit their old and invalid friend, Mr. J. T. Simmons.

A seed man was in town Saturday soliciting orders. He received very little encouragement.

Council met in regular session Monday evening. Members all present. Minutes of last meeting read and approved. Treasurer reported \$361.16 in the treasury. Collected since last meeting, \$20. Report of equalizing committee was read and after considerable discussion it was approved and ordered posted in three conspicuous places.

That a special meeting be held August 14 to hear and determine all complaints, after which date no changes can be made. Having received orders from the State Board of Health, the sanitary committee was instructed to see that the town was put in good sanitary condition, and that all nuisances be abated, under penalty of the law. A communication from the comptroller of the state, relative to license tax on express companies was read. On motion Wm. E. E. Kates was authorized to take a census of the town, to determine whether we have the right to assess such license tax. Bills to the amount of \$3.75 were ordered paid. The various committees reported progress. Council then adjourned.

Several ladies have requested us to call the attention of the council to the fact that there are many gaps in the rows of shade trees along our streets, and that we request the authorities to have such gaps filled with new trees.

Mr. Hutton Jones of Spring Park shipped six barrels of pumpkins Wednesday at the rate of \$3 per barrel.

Rev. A. M. Kenney will hold services at Grahamville next Sunday.

G. B. Burhans Testifies After Four Years

G. B. Burhans of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment, and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble." It is alarming to know how much money has been paid into the municipal court of Ocala by our people for fines, etc., since the first of January, and were you to go around with a list to lengthen Howard Academy's school term or to build an annex you could hardly get one-tenth in cash, yet a sufficient amount has been paid into the city court to build a fine addition and furnish the same. Most of these fines were paid by the colored people for misdemeanors.

A WORM KILLER

J. A. J. Montgomery, Puxico, Wayne Co., Mo., writes: "I have little twin girls who have been bothered with worms all their lives. I tried everything to relieve them, which failed until I tried White's Cream Vermifuge. The first two doses brought four worms from one of them, the next two doses, twelve, one of them measuring twelve inches. The other child was only relieved of four worms. It is a most excellent medicine."

White's Cream Vermifuge is good for children.

It not only destroys worms, but helps the child to perfect growth, wards off sickness.
